## LESSON RULES:

1. Students are required to:

- Clean up after their horses in both the arena and barn upon completion of their lesson.
- Catch, groom, saddle, and bridle their horses when capable.
- Return their lesson horse to their pastures after unsaddling and grooming their horse.
- Properly return their tack and equipment to the correct location.

2. SEI approved helmets, boots, with a 1 ¼ " - 1 ½ "heel, and long pants are required for all students under the age of 18. Children not dressed appropriately will not be allowed to ride.

3. Parents are required to stay on the premises for all children under the age of 12. Parents, who leave the premise, acknowledge that upon completion of the scheduled lesson, instructors and any affiliate of My Wild Winds Ranch, LLC are not responsible for the care of your child. Children not picked up upon completion of the scheduled lesson will be unsupervised. Please be on time to pick up your child, so that your tardiness does not interfere with another student's appointment.

4. Students are suggested to arrive 20-30 minutes ahead of their scheduled lesson to catch, groom, and tack their horses. Should these activities take students longer than normal; their lessons will still end at the normal time to allow for students to untack and put their horses away, and clean the facility. Lessons/appointments are scheduled back to back, and the following lesson will start on the scheduled time.

5. Students will be assigned horses based on their skill level. As a student progresses they will be challenged to continue to build their skills on different horses.

6. Packaged lessons are to be scheduled when purchased. Lessons cancelled prior to 10Am of the date of lesson will be rescheduled accordingly. Lessons cancelled after 10AM of the date of the lesson will be forfeited. If lessons are cancelled, the lesson will be made up at the end of the session.
